

COURSE INFORMATION

Parth Skills Course Guide

YOUR REQUEST HAS BEEN RECEIVED

This is a temporary course-information PDF included so the website download flow works immediately. Replace this file with the approved detailed curriculum while keeping the same filename.

What the final curriculum should confirm

- Current modules, practical exercises and projects
- Duration, delivery mode, schedule and batch availability
- Course fee, taxes, payment terms and included resources
- Tools, accounts, device requirements and separate costs
- Assessment, attendance and certificate requirements
